or joint statement (and the name of any Member, Delegate, Resident Commissioner, or Senator who submitted a request to the House or Senate committees of jurisdiction for each respective item included in such list) that were neither committed to the conference committee by either House nor in a report of a committee of either House on such bill or on a companion measure; or

(2) a statement that the proposition contains no such congressional earmarks, limited tax benefits, or limited tariff benefits.

(c) It shall not be in order to consider a rule or order that waives the application of paragraph (a) or (b). As disposition of a point of order under this paragraph or paragraph (b), the Chair shall put the question of consideration with respect to the rule or order or conference report, as applicable. The question of consideration shall be debatable for 10 minutes by the Member initiating the point of order and for 10 minutes by an opponent, but shall otherwise be decided without intervening motion except one that the House adjourn.

(d) In order to be cognizable by the Chair, a point of order raised under paragraph (a) may be based only on the failure of a report, submission to the Congressional Record, or joint explanatory statement to include a list required by paragraph (a) or a statement that the proposition contains no congressional earmarks, limited tax benefits, or limited tariff benefits.

(e) For the purpose of this clause, the term "congressional earmark" means a provision or report language included primarily at the request of a Member, Delegate, Resident Commissioner, or Senator providing, authorizing or recommending a specific amount of discretionary budget authority, credit authority, or other spending authority for a contract, loan, loan guarantee, grant, loan authority, or other expenditure with or to an entity, or targeted to a specific State, locality or Congressional district, other than through a statutory or administrative formula-driven or competitive award process.

(f) For the purpose of this clause, the term "limited tax benefit" means—

(1) any revenue-losing provision that—

(A) provides a Federal tax deduction, credit, exclusion, or preference to 10 or fewer beneficiaries under the Internal Revenue Code of 1986, and

(B) contains eligibility criteria that are not uniform in application with respect to potential beneficiaries of such provision; or

(2) any Federal tax provision which provides one beneficiary temporary or permanent transition relief from a change to the Internal Revenue Code of 1986.

(g) For the purpose of this clause, the term "limited tariff benefit" means a provision modifying the Harmonized Tariff Schedule of the United States in

a manner that benefits 10 or fewer entities.

10. (a)(1) Except as provided in paragraphs (b) and (c), it shall not be in order to consider any bill, joint resolution, amendment, or conference report if the provisions of such measure affecting direct spending and revenues have the net effect of increasing the on-budget deficit or reducing the on-budget surplus for the period comprising either—

(A) the current year, the budget year, and the four years following that budget year; or

(B) the current year, the budget year, and the nine years following that budget year.

(2) The effect of such measure on the deficit or surplus shall be determined on the basis of estimates made by the Committee on the Budget relative to baseline estimates supplied by the Congressional Budget Office consistent with section 257 of the Balanced Budget and Emergency Deficit Control Act of 1985 and consistent with sections 3(4), 3(8), and 4(c) of the Statutory Pay-As-You-Go Act of 2010.

(3) For the purpose of this clause, the terms "budget year," "current year," and "direct spending" have the meanings specified in section 250 of the Balanced Budget and Emergency Deficit Control Act of 1985, except that the term "direct spending" shall also include provisions in appropriation Acts that make outyear modifications to substantive law as described in section 3(4)(C) of the Statutory Pay-As-You-Go Act of 2010.

(b) If a bill, joint resolution, or amendment is considered pursuant to a special order of the House directing the Clerk to add as new matter at the end of such measure the provisions of a separate measure as passed by the House, the provisions of such separate measure as passed by the House shall be included in the evaluation under paragraph (a) of the bill, joint resolution, or amendment.

(c)(1) Except as provided in subparagraph (2), the evaluation under paragraph (a) shall exclude a provision expressly designated as an emergency for purposes of pay-as-you-go principles in the case of a point of order under this clause against consideration of—

(A) a bill or joint resolution;

(B) an amendment made in order as original text by a special order of business;

(C) a conference report; or

(D) an amendment between the Houses.

(2) In the case of an amendment (other than one specified in subparagraph (1)) to a bill or joint resolution, the evaluation under paragraph (a) shall give no cognizance to any designation of emergency.

(3) If a bill, a joint resolution, an amendment made in order as original text by a special order of business, a conference report, or an amendment between the Houses includes a provision expressly designated as an emer-

gency for purposes of pay-as-you-go principles, the Chair shall put the question of consideration with respect thereto.
